Percy Dear,

This year has been a TERRIBLE Year, I'm Glad it's finally over. So much gossip, backstabbing and various stuff has been going around, but then again that happens every year. There are always things you wish you said, things you wish you didn't say and things you wish you could change. I know, I feel like that every year. We've got to hang out this summer! Get in trouble, listen to music, have fun, etc. A lot of good memories for this year, along with the bad ones. I'll see you in the summer, But until then "Keep your feet in the ground and keep reaching for the stars!"

Percy,

Well, the year's just about over, I think it went pretty quickly. It's been pretty fun getting to know you these past two years. We had a lot of fun times during Geometry getting Mr. D. annoyed and during that awesome softball season of ours. Well, have a great life.

Love,

Diana

Dear Percy,

The year has finally come to an end, and I'm glad I got to know you better this year through basketball and softball practice.

Most of the time you're a sweetheart!

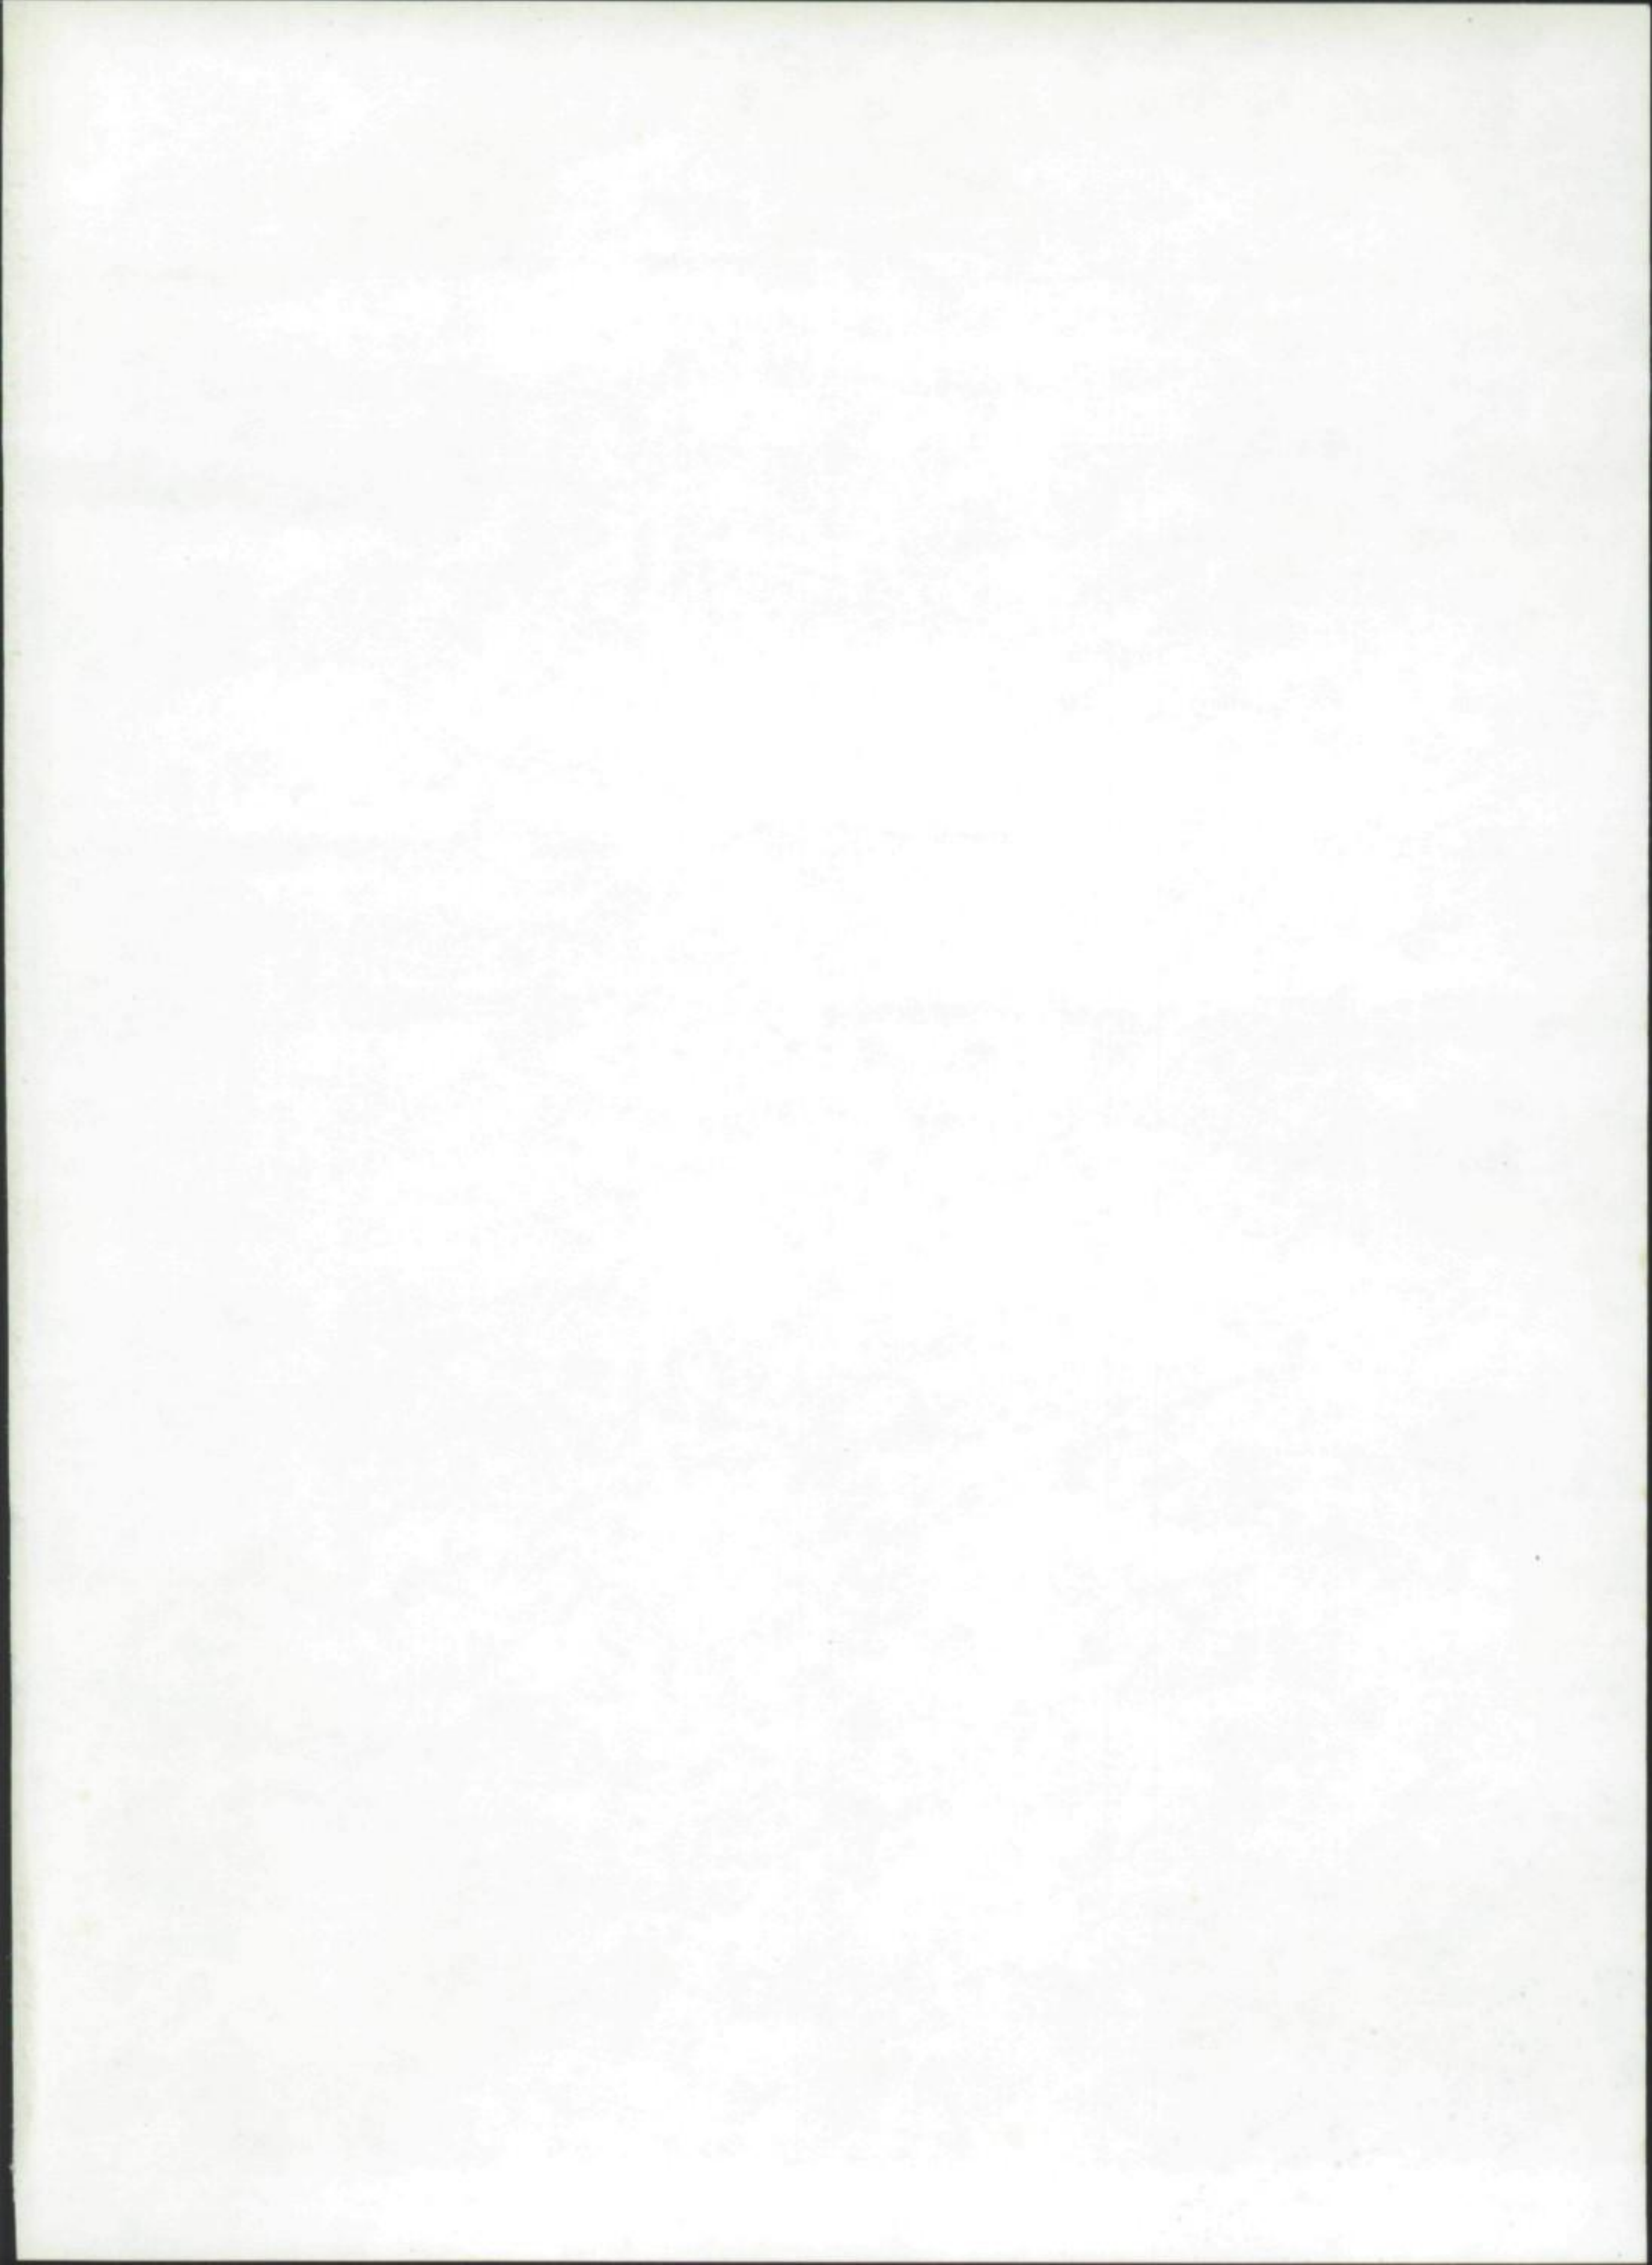

Percy, always remember this Glenn and I are just good friends. I hope you go out

for basketball next year, you're really good.

I hope you have a terrific summer, don't break any boys' hearts.

Love always,
Julie

P.S. Remember working together in softball!

Percy, I don't care what Dennis says this has been an awesome year. Remember all the great times we had together. We've had our rough times & our disagreements but that's all in the past. Thanks for being there when I needed you. Remembering your prayers this summer.

Love, *[Signature]*
